**PRINCIPAL:** Sheryl Pilkington

## From the Principal's Desk

Dear Parents

As part of our School Plan, all students, staff and members of the school community recognise that we each have rights and responsibilities in order to have a safe and caring learning environment. In the next few newsletters, we are going to list those rights and responsibilities for everyone to look at and discuss.

### Enrolments

Due to an increase in the number of students enrolled in Year 1 Room 12, we have needed to move some students to Room 18 to make a PrePrimary/Year 1 class. This is the only change we have had to make in the school.

I hope you can all come to the Open Night on the 28<sup>th</sup> February. The P&C AGM will also be held on that night and we encourage you to attend and register your support.

*Sheryl Pilkington*

### CHAPLAIN NEWS

We are now in week four, I hope you and your children have settled back into the school routine. This fortnights virtue is **CONSIDERATION**.

Consideration is being thoughtful about other people and their feelings. It is thinking about how your actions affect them and caring about how they feel. It is paying attention to what other people like and don't like and doing things that give them happiness.

I would encourage you to demonstrate this at home so children know how to act in this way at school.

I would also like to draw your attention to the Australian Childhood Foundation. They are Australia wide and have an office in Perth. Please go to their website there are many interesting articles pertaining to young children and some excellent articles and practical help for children who may have experienced trauma.
